

U.S. REO Partners Broker Charter Membership Benefits & Pricing

1

Vetted, proven, and the marketing to match

No other organization offers the depth of client contacts, the complete referral circle within the membership base, nor the opportunities for exposure offered by U.S. REO Partners. Our committee and peer reviewed application process ensures our membership represents on the most experienced, reputable, and reliable REO brokers throughout the country. If you're a top performing REO broker with the experience and volume to drive your market, then join your peers as a charter member of USREOP.

+exclusive publication opportunities in PRTNR magazine & client-direct updates

2

Onsite, in sight, and on the website

U.S. REO Partners works with over 1,000 client contacts in asset management and mortgage servicing companies and we're regularly onsite with clients, putting your information within sight and reach, and marketing our members as subject matter and market experts through a host of tools available at USREOP.com. REO Broker Charter Members have exclusive opportunities through the organization's events, onsite and online trainings, publications, and charitable events.

+join a class of proven, vetted, and experienced brokers nation-wide

3

Core Membership Benefits

REO Broker Charter Members in U.S. REO Partners receive member pricing to all USREOP events; listing in the USREOP Membership Directory in print and online; the ability to contribute regularly to PRTNR Magazine and our Local Market Updates blog; and the ability to be featured as a speaker or panelist at USREOP educational events. Broker members also receive complimentary registration to the annual USREOP Charity Auction & Client Appreciation Dinner. Membership also includes access to the brokers-only chat line; client registration links and support via USREOP.com; and discounts to select industry events, publications, and other tools vital to maintaining and growing your REO business.
