

# U.S. REO Partners Vendor Membership Benefits & Pricing

1

## Putting your brand in front of the right people.

If your new business develop strategy requires face-time and brand exposure to decision-makers throughout the real estate-owned disposition process, then becoming a Vendor Member of U.S. REO Partners is critical to your game plan. Our Vendor Members are highlighted regularly to asset managers and mortgage servicing clients who make decisions on property preservation, title, and other vendor management issues. Vendors are also exposed to high volume REO brokers who can select and manage up to 30% of vendors on REO maintenance, marketing, and closings.

+exclusive publication opportunities in PRTNR magazine & client-direct updates

2

## Completing the referral circle.

U.S. REO Partners offers vendors and service providers a captive audience of high volume REO brokers, default services law firms, as well as mortgage servicing and REO asset management clients. Our vendor category offers some of the industry's best networking and branding opportunities in the industry and represents a complete referral cycle when it comes to the disposition process.

+networking with brokers, mortgage servicing clients, and REO asset managers

3

## Core Membership Benefits:

Vendor Members in U.S. REO Partners receive member pricing to all USREOP events; listing in the USREOP Membership Directory in print and online; one complimentary half page ad in an issue of PRTNR Magazine as well as the ongoing ability to contribute regularly; and the ability to be featured as a speaker or panelist at USREOP events. Vendor members also receive one spotlight e-marketing mailing to USREOP members once a year.

## » Pricing
